WILKINSON COUNTY CHRISTIAN ACADEMY

enlightening minds enriching lives

Wilkinson County Christian Academy has been enriching lives of its' students, their families and our community through applied dedication to principles of faith, service and education. As a Christian school, values are core to the foundation of all our programs, ensuring every child learns to value God, self and others.

We provide a safe, positive, learning environment that encourages the scholastic achievement of our students, as well as the development of their spiritual and social lives. We strive to develop the whole person.

So when our students graduate, they will possess the confidence, compassion, and character to make their future and ours the best it can be.

FAITH

Christian values lie at the center of everything we teach at WCCA. Through bible classes, students are allowed to build their faith and experience it as part of their everyday life. Celebrating weekly devotionals with their classmates and allocating attention to their beliefs allows them to develop into caring Christians as active, involved members of the church.

EDUCATION

WCCA students participate in a challenging curriculum, from preschool through 12th grade, with ample opportunities for individual attention and growth. We encourage critical thinking through practical applications, and an appreciation of art through:

- Accelerated reading program
- Music, Foreign Language & Physical education classes
- Robotics Program sponsored by Mississippi Robotics
- STEM Program
- ACT Prep & Online College Credit Opportunities
- Highly Qualified and Licensed Teachers

ACCREDITATIONS

WCCA holds the following certifications for being recognized as providing quality education

- Mississippi Department of Education
- Mississippi Association of Independent Schools
- Advanced Ed
